

# Lathrop Manteca Fire District Information & Projects Update

1

**Presentations: Item 2.1**  
**Lathrop City Council Regular Meeting**  
**March 8, 2021**

# Current Status

- The LMFD has an organized deployment model that provides on-duty staffing 24 hours a day / 365 days a year to respond to emergencies from each of our five fire stations.
- The District's Headquarters is located in the City of Lathrop's new River Islands Development at Fire Station 35.
- The authorized career personnel strength of the Fire District includes 44 uniformed employees and 4 office staff employees. A Volunteer/Reserve Firefighter roster of 35 members is maintained to offer hands-on training and augment our career fire suppression force.

# Current Administration Projects

3

- New fully accessible web page ([lmfire.org](http://lmfire.org)).
- All financial documents are loaded on the web page along with all current MOU's
- All financial audits dating as far back as 2012 are located on the new web page
- We recently received the District Transparency Certificate of Excellence Award from the California Special Districts Association and Special District Leadership Foundation.
