Build Your Agency's Future at the Intersection of Innovation & Inclusion

As the Covid-19 pandemic has shown us, the only thing we can predict is change. Among all the shifts and changes nationwide and in California, the key one is the need for greater focus on ensuring equity and true inclusion towards the increasingly diverse community demographics. As agencies in California plan for the next decade, this session will help them look at trends and plan for future shifts while building an agency culture that can at once be inclusive and innovative.

Tuesday, March 23
Lori A. Hoffner
Building That Brain Muscle Takes Action and Practice – Developing a Growth Mindset

Embracing a growth mindset leads us to understand the value of the process. The process that creates greater engagement and perseverance. But it takes practice! Lori will discuss how leaders create a growth-mindset environment steeped in "yet", positive change happens. A growth mindset often uncovers a person's passion and talents. It embraces a desire to grow, learn and strive for new, different, and stronger abilities.

Wednesday, March 24
Haben Girma
A Conversation with Haben Girma

Join us for an engaging presentation on Haben's journey, the first deafblind person to graduate from Harvard Law School who now serves as a disability rights advocate.

Thursday, March 25
Dima Ghawi
The Three Cs for Managing Unconscious Bias

In this engaging presentation, Dima Ghawi delves into the intricacies of unconscious bias, uncovering the root of these predispositions and sharing actionable methods for managing these unseen prejudices. The dialogue focuses on three essential messages related to Curiosity, Courageousness, and Commitment.

Friday, March 26
Simon Bailey
Thrive and Flourish in the Midst of Adversity

Our final keynote will leave us feeling empowered as we tap into our human potential. He will ignite your passion to create a life and career you love.

- **March 22 - 26**
