This will be my second time apply for a seat on the Measure C oversight committee. It has been a great honor to serve the City of Lathrop and advocate for our residents. Working with the City and community has been a great value of my volunteered time. I hope to be able to continue to be of service to the City Council of Lathrop, our Fire Department and current Lathrop Police Services as well as our future Lathrop Police. It was a great honor to be selected as the first women primary delegate Community Panel leader in the selection of our new Police Chief. I am truly honored and grateful.
