

**OCTOBER 11, 2021 CITY COUNCIL REGULAR MEETING****AWARD CONSTRUCTION CONTRACT TO G&G BUILDERS, INC. FOR THE MANUEL VALVERDE PARK SHELTER IMPROVEMENTS, CIP PK 22-08 AND RELATED BUDGET AMENDMENT**

Existing tables and benches are well worn, and in need of replacement. New ADA-compliant exterior seating and picnic tables will be installed, including a "game" table with embedded checkerboard at the Senior Center.

The existing shade shelters are nearing the end of their service lives due to the deterioration of their wooden structure. The powder-coated steel construction of the replacement shelters will last for many decades, and custom gable ornamentation will soften the appearance of the structural components. The continuous metal roof will provide more and deeper shade than that created by the louvres on the existing shelters.

The existing concrete patios will be replaced with slightly larger slabs with improved steel reinforcement, and the BBQ at the Community Center will be repositioned to accommodate additional seating. New durable steel waste receptacles will complete the improvements, and small adjustments will be made to existing walkways and landscape to accommodate expanded patio areas.

The plans and specifications for the construction of this project were completed by Public Works staff and advertised on August 27, 2021, in accordance with CA PCC 20160 and LMC 2.36.060. A total of nine (9) bids were received, both determined to be responsive and responsible. The bid results are summarized in Table 1 below:
