#### **SUMMARY:**

The City received numerous complaints from residents about limited street lighting on Johnson Ferry Road. A photometric analysis was conducted and Johnson Ferry Road was identified as a street needing three (3) additional streetlights. The Capital Improvement Project (CIP) PS 23-04 Johnson Ferry Road, Streetlight Installation proposes to install three (3) decorative streetlights on Johnson Ferry Road.

The bid solicitation package for the construction of the project was advertised on July 15, 2022 in accordance with Informal Bidding Procedures in CA PCC 22032 (California Uniform Public Construction Cost Accounting Act) and Lathrop Municipal Code (LMC) 3.30.060 and 3.30.070.

Public Works received and opened three (3) bids on July 27, 2022. Based on the review and evaluation of the bids, the lowest responsive and responsible bidder for the project was determined to be Bockmon & Woody Co. Inc., with a bid of \$63,750.

Staff is requesting City Council approve the creation of Capital Improvement Project (CIP) PS 23-04 and award a construction contract to Bockmon & Woody Co. Inc. for the installation of three (3) streetlights at Johnson Ferry Road for \$63,750. Staff also requests City Council authorize a 15% contingency of \$9,563 for a total construction cost not to exceed \$73,313.

Staff is also requesting City Council approve a budget amendment transferring \$66,000 from the Mossdale Landscape and Lighting Capital Replacement Fund and \$9,000 from the Mossdale and Lighting CFD Operating Fund 2580 to the Streets CIP Fund (3310) to support the construction costs.

#### **BACKGROUND:**

The City received numerous complaints from residents about limited street lighting on Johnson Ferry Road. A photometric analysis was conducted and Johnson Ferry Road was identified as a street needing three (3) additional streetlights.

**CITY MANAGER’S REPORT** **PAGE 2**  
**SEPTEMBER 12, 2022 CITY COUNCIL REGULAR MEETING**  
**CREATE CIP PS 23-04 FOR THE JOHNSON FERRY STREETLIGHT**  
**INSTALLATION AND APPROVE RELATED BUDGET AMENDMENT**

City staff prepared the plans and technical specifications. The informal bid solicitation package for the Johnson Ferry Streetlight Installation project was advertised on July 15, 2022, in accordance with Informal Bidding Procedures in CA PCC 22032 and LMC 3.30.060 and 3.30.070. Three (3) bids were received; bids were determined to be responsive and responsible.

The bid results are summarized in Table 1 below:

***Table 1: Summary of Bid Results***

<b>Contractor</b>	<b>Total Bid</b>
Bockmon & Woody Electric Co. Inc.	\$63,750
Pacific Excavation Inc.	\$69,859
Tennyson Electric Inc.	\$77,265

Staff reviewed and evaluated the bids and determined that the lowest responsive and responsible bidder is Bockmon & Woody Electric Co. Inc. Staff requests City Council adopt a resolution awarding a construction contract to Bockmon & Woody Electric Co. Inc. for \$63,750, authorize a 15% contingency of \$9,563 and authorize staff to spend the contingency as necessary to achieve the goals of the project for a total cost not to exceed \$73,313.

The scope of work to be performed under this contract is generally described as the installation of (3), 16’ decorative poles with three (3) new LED decorative top fixtures already purchased by the city, construction of pole foundations, sidewalk panel demolition and restoration, horizontal boring, conduit run and cable splicing from existing pull box to the three new street lights.

**REASON FOR RECOMMENDATION:**

The proposed project will install (3) three already purchased streetlights on Johnson Ferry Road, which will alleviate resident concerns and will substantiate conformance with the photometric analysis conducted.

**FISCAL IMPACT:**

Staff is requesting that City Council approve the creation of CIP PS 23-04 Johnson Ferry, Street Light Installation, award a construction contract to Bockmon & Woody Electric Co. for \$63,750, 15% contingency for \$ 9,563 for a total contract amount not to exceed \$73,313.

Sufficient funds were not included in the adopted Fiscal Year 22/23 budget. Therefore, staff is requesting a budget amendment transferring \$66,000 from the Mossdale Landscape and Lighting Capital Replacement Fund 2610 and \$9,000 from the Mossdale and Lighting CFD Operating Fund 2580 to the Streets CIP Fund (3310) as follows:
