# BACKGROUND

- Staff has identified the revitalization of The Green Park, a city owned one-acre park located at 16700 English Country Trail.
- Staff contacted Park Planet, a division of Park Associates, Inc. to develop design options for this revitalization project.
- Removal of the outdated play structure, and wood fiber fall surface.
- Installation of play area for children 5-12, with structures that could include multiple slides, multiple climbers, multiple ground level and elevated play events, shade, and a variety of other options.

# THE GREEN – EXISTING CONDITIONS

- Small, 20+ year old outdated children's play area.
- Outdated wood fiber fall surface.
- Play area only accommodates children ages 3-5.
