

LEGEND	
	TEMPORARY TRAFFIC CONTROL SIGN
	PORTABLE FLASHING BEACON
	TRAFFIC CONE
	WORK AREA
	BARRICADE

- NOTES:**
- Each advance warning sign must be equipped with at least two flags for daytime closure. Each flag must be at least 16" x 16" in size and must be orange or fluorescent red-orange in color. Flashing beacon must be placed at the locations indicated for lane closures during hours of darkness.
 - Barricades must be Type I, II or III for closures lasting one week or less and Type III for closures lasting longer than one week.
 - Sidewalk must be closed during lifting operations. Contractor must provide a flagger to escort pedestrian and bicycle traffic during sidewalk closures.
 - The Contractor must perform the appropriate measures to ensure the safety of bicyclists on all streets on which there is work.
 - Maintain local & driveway access to businesses and residents.
 - R11-2 sign must be black on white.
 - All traffic control must conform to the latest edition of CAMUTCD
